Shape and form have a certain kind of music about them. Sometimes it is expressed as melody and at other times as discord. Whether exemplary of melody or discord, to be heard, shape and form must be observed visually with a critical ear. Listen . . .

... Once experienced, this visual music becomes a sort of language that enables one to communicate with the world of shape and form. A silent dialogue of imagery is continuously acting itself out in the world around you ...

The Folcon Soccer Team showed great promise for the season in pre-season scrimmages with Charlotte's semi-pro soccer clubs. As the year progressed, the inexperience of Pfeiffer's young team became apparent. Throughout the season the team was plagued with injuries. Only strong wills and heads up play allowed this year's soccer team to reach the tally they did. A record of 3-8-1 is no indication of the fine ball playing and close games produced by this team. The Folcon's conference record of 3-0-1 placed them in tie position for the top seating in the newly formed Carolinos Conference, and the third place slot in the District League.

Falcon basketball, '72-'73: This season to date has been . . . well, different. The Falcons started hot then cooled after demoralizing, last minute losses to Catawba and Guilford. Then came the real cruncher; the stunning news that Head Coach Tom Childress would be leaving at the end of the year. So tri-captains Walt Frye, Tom Roseman, and David Lee try to lead a two-front war: fighting Carolinas Conference opposition on one flank, the loss of their coach on the other. Juniors Rex Mitchell, Dennis Causey, Ray Dancy along with transfer Mike Evans are wondering about their last year in basketball as soph guards Greg Gilmore and John Potts "break-in" freshmen Chip Pepper and Matt Hanfelder. We pick up a big man to replace Frye, win the battle to keep the coach, and look out for this club next year.

GIRLS' BASKETBALL

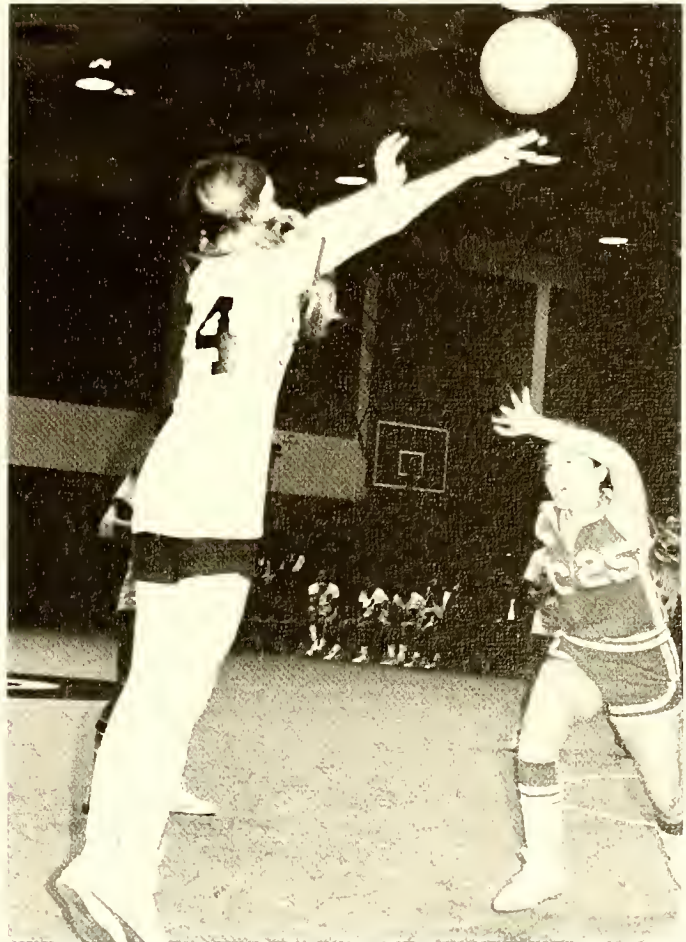

During the history of every athletic team, there are years of rebuilding and reorganization. However, for the Lady Falcons this year, 1972-73, proved to be a year of dawning. Girls' Basketball was established, with strong support from the AWS, on a club level basis. It is hoped that this year will mark the beginning of girls' intercollegiate competition on the varsity level. Coached by J.W. Lisk and Pete Leonard, the girls' giving of their time and energy were Kathy DeVore, Brenda Barringer, Regina Furr, Kim Hamrick, Janet Sharp, Kathy Kennedy, June Oldman, Marie Hudson, Teresa Wright, and Karen Shim-pock.

Early in the season the Lady Falcons split with the Catawba Squaws winning at home and losing on the road. Other scores from games played were not available at press time.

Pfeiffer had another fine season in 1972 with an overall record of 23 wins and 10 losses. Key men lost off this strong team include All America pitcher Randy Benson, All State third baseman Rick Young, second baseman Gary Bartlett and left fielder Kemp Harvey.

Coach Joseph Ferebee begins his seventeenth year at Pfeiffer with a record of 346 wins and only 128 losses. Lettermen Toogie Smith, Dickie Myers, Glenn Phillips, Bill Cash, Larry Fast, Paul Nye, Tommy Raines, Walt Frye, Jack Carlson, Bobby Martin, Lawrence Greene, and Tommy Little give the Falcons a nucleus for a good ball club. Newcomers Earl Coggins, Bill Warren, Don Frye, Alton Caldwell, and Claude Bernhardt add depth to the team.

Thirty two Pfeiffer players have signed professional contracts in the past sixteen years with three of these men reaching the Major Leagues: Billy Wynne (Chicago White Sox), Monty Montgomery (Kansas City Royals) and Barry Moore (Washington Senators).

WRESTLING

Pfeiffer College's wrestling team struggled through another season competing against excellent colleges both in and out of the district 26 league. Unfortunately, Pfeiffer only sponsored five men for more than half of the matches this year. Though there were only five, the interest and desire to perform and compete never decreased. With the District 26 Tournament coming up shortly, practices have increased in intensity due to the request of the Pfeiffer mat men who want to place No. 1 in their weight classes. Each individual is going out and talking to as many schools as possible to see if the wrestling program at Pfeiffer can get back to its original track, i.e. undefeated in the conference and sweeping all the tournaments.

Pfeiffer College in recent years has had outstanding tennis teams and under the direction of Coach Darrell Page this year's team should be no different. As of yet there doesn't seem to be any new blood hitting the ranks. With almost an entire team of let-terms returning, this year's squad looks very promising.

THE CAMP PFEIFFER PFAMILY PFUN GAME RULES

244

1. To determine order of play divide student I.D. number by expected year of graduation. Lowest number goes first and so on.
2. Begin or start unless you are able to find an AIM loophole in which case you may proceed to first block on second page.
3. Roll die three times (or throw three dice once), divide total by three and move that number of spaces forward.
4. If final divided number is two or five forfeit one turn.
5. Player finishes game by rolling exact number needed to reach finish.

EQUIPMENT:

one die
one mother-of-pearl button for each player
(not to exceed 1000 players)

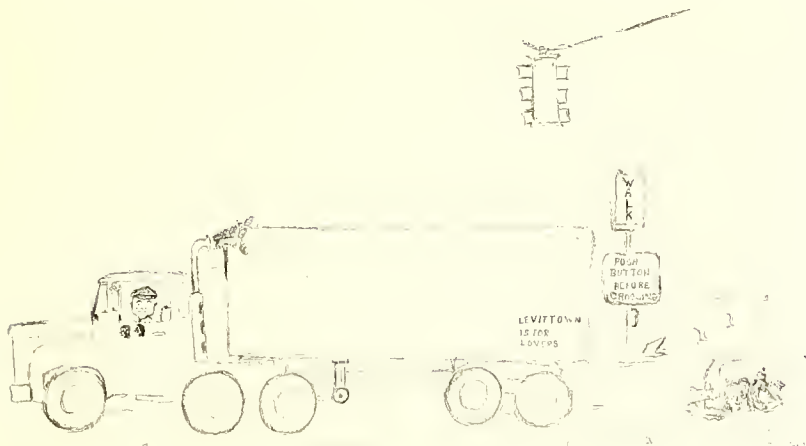

START

Come to Pfeiffer on a football scholarship — go back 12 spaces

Miss 2 turns trying to understand the AIM program, then 1 more helping advisor understand

Wait 3 hours to register only to have office close for the day

Girls must now return to their dorms to be locked in for the night . . . continue game in the morning

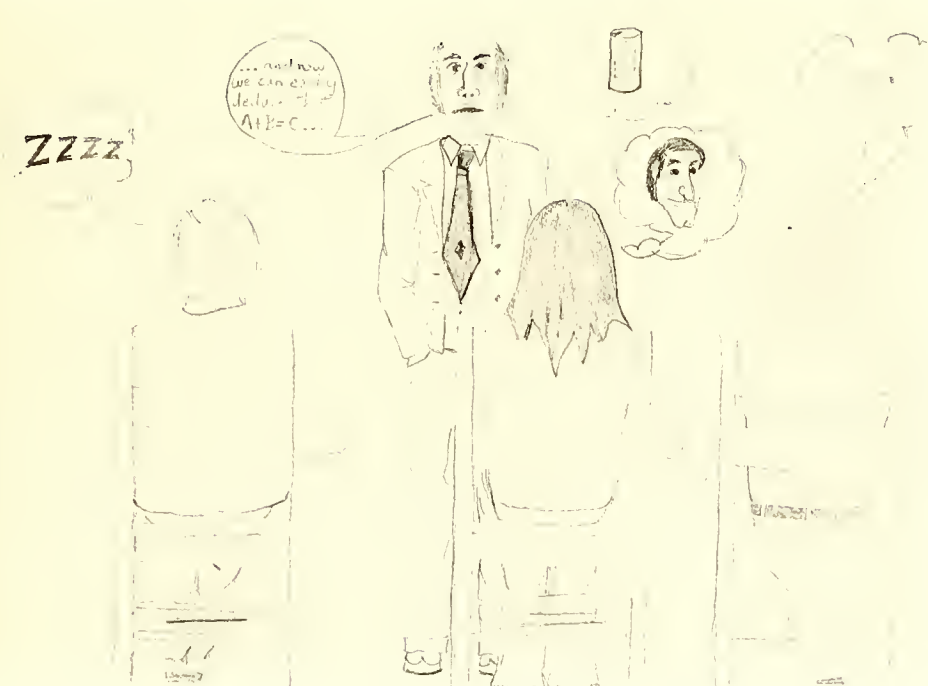

You touch the sundial only to get your fingers stuck in someone's old bubblegum — move back 3 spaces

Black and gold speckled wall in gym causes hallucinations — freak out 3 spaces in either direction.

There is a pontie roid — you stand at your door with only a towel on — men run by and say "Hi", fall back 3 spaces

Go in desk education from Psych. I — slide ahead 5 spaces

	You pick 3 pieces of clean silverware on the first try — move with caution one space forward		Go to post office and receive monthly letter from Earl Ruth move ahead one space	
--	----------------------------------------------------------------------------------------------	--	----------------------------------------------------------------------------------	--

You are a biology major, you know it but you don't practice it — halt forward movement for one turn
Miss one turn running from cafeteria to infirmary

		Cor breaks down — you must eat in cafeteria on spaghetti night	
--	--	----------------------------------------------------------------	--

	Miss two turns due to liquor legalization party		Sunshowers — take the day off and raise your spirits	
--	-------------------------------------------------	--	------------------------------------------------------	--

	Get sent to Writing Workshop for bad supp. critique — take time out to write papers — miss 2 turns	
	SUPPLEMENTARY CIRCLE	

After going around supp. circle three times roll die — if the number is even, proceed on to graduation, but if the number is odd repeat circle three more times and try again.

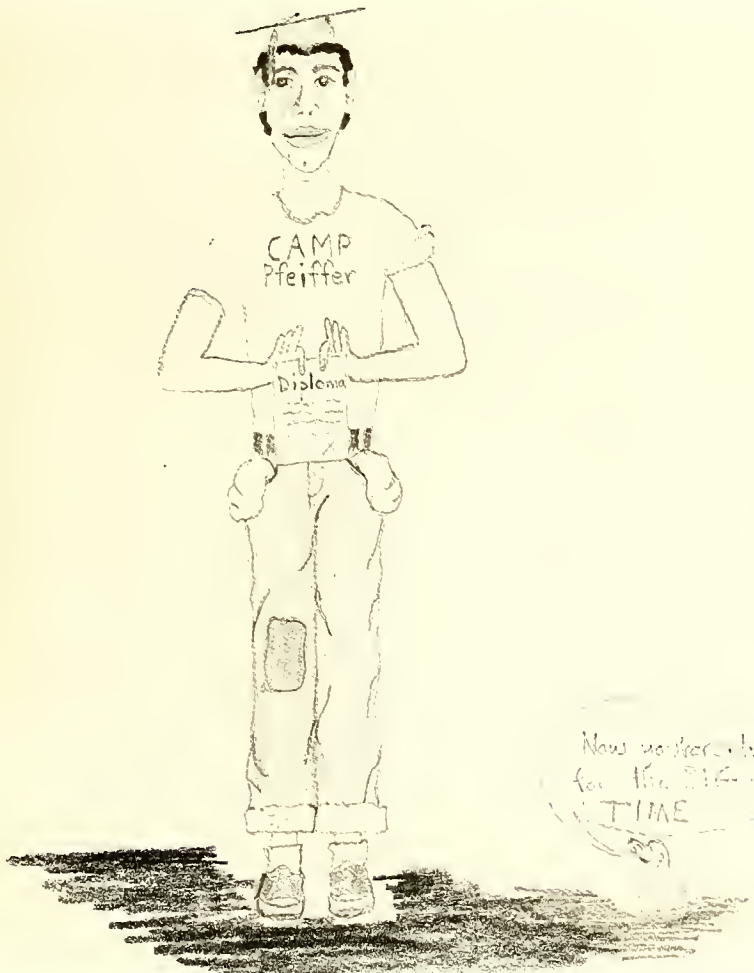

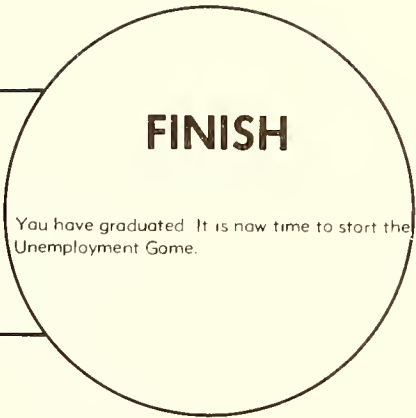

The annual staff presents 'Color Your Own Yearbook' — everyone take time out to color

	You are a senior and you finally figure out what the Reader's Guide is for — trip back 3 spaces	
--	-------------------------------------------------------------------------------------------------	--

Philosophy and Physics majors go back to start — your departments have just been fired

	<p>Lock .5 supp. units to graduate — go back to supp. circle</p>
